ALL COUNTY LETTER NO. 90-89

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: EXPIRATION DATES OF TWO FOOD STAMP PROVISIONS

This is to inform you about provisions in the Food Stamp regulations which are subject to expiration on September 30, 1990. These provisions implemented portions of:

- o Public Law 99-570, the Homeless Eligibility Clarification Act, concerning the purchase of prepared meals by homeless individuals [Food Stamp Manual Sections 63-069; 102(e)(2)(g), (h)(1), (m)(2) and (r)(6)(B); 103.21(j); 402.46 and .645; 503.6; 604.5; 604.8]; and
- o Public Law 100-77, the Stewart B. McKinney Homeless Assistance Act, concerning third-party payments to homeless individuals living in temporary housing [63-502.2(b)(2)(D)].

The Food and Nutrition Service has advised us that these provisions will be temporarily extended from October 1, 1990 until such time as the Farm Bill is signed into law. Therefore, in the interim, County Welfare Departments (CWDs) should continue to apply the above provisions. We will provide CWDs with further notification of changes to the Food Stamp Program upon the enactment of the new legislation.

If you have any questions, please contact Linda Pasley, Food Stamp Policy Bureau, at (916) 445-6907.
